

FIG. 1 (a)

FIG. 1 (b)

A cross-sectional view of a multi-layered structure. The structure consists of several layers and components. At the top is a layer labeled 14. Below it is a layer labeled 2. Under layer 2 is a layer labeled 8, which contains several small rectangular features. Below layer 8 is a layer labeled 12. Under layer 12 is a layer labeled 15. Below layer 15 is a layer labeled 11. Under layer 11 is a layer labeled 13. Below layer 13 is a layer labeled 7. Under layer 7 is a layer labeled 6. Below layer 6 is a layer labeled 5. A bracket labeled 4 groups layers 7, 6, and 5. At the bottom is a layer labeled 1. On the right side, there is a vertical component labeled 3. On the left side, there is a vertical component labeled 9. The layers are represented by different hatching patterns: diagonal lines for 1, 2, 11, 12, 13, 14, and 15; a brick-like pattern for 7; a cross-hatch pattern for 8; and a wavy pattern for 6.
